

BINARY LICENSE FOR ACADEMIC AND NOT-FOR-PROFIT SCIENTIFIC PURPOSES

Please note that you are entitled to enter into this binary code license ("Agreement") only if you are a member of an educational, academic or research institution and working on a non-profit project. The Agreement automatically terminates once you no longer fulfil this requirement.

Upon execution of this Agreement by you (through signed or online/digital acceptance), IIIA-CSIC (the "Licensor") will provide to you the prototype EDU2COM 1.0 software ("EDU2COM") in Executable Code form, subject to the following terms and conditions. For purposes of this Agreement, Executable Code is the compiled code of EDU2COM, which is ready to run on a computer.

1. You acknowledge that the Licensor and its co-owners own all right, title and interest, including copyright, in EDU2COM (without prejudice to third party open source components contained within EDU2COM) and that such rights remain with the Licensor and co-owners.

2. The Licensor grants, and you hereby accept, a restricted, non-exclusive, non-transferable license to download, install and use EDU2COM in Executable form for academic, research and internal scientific purposes only, provided that:

- a. You don't use the Software for the benefit of your own or any third party's commercial purposes (note that this permits research collaboration with third parties but excludes the use of EDU2COM within the framework of a research or development contract with an industrial partner for its further use);
- b. You do not communicate, transfer, distribute to third parties, or sub-license the use of EDU2COM to any third party;
- c. You do not copy EDU2COM except for the purposes of making a reasonable number of back-up copies.

3. Except as expressly set forth in this Agreement, THIS EDU2COM SOFTWARE IS PROVIDED "AS IS" AND THE LICENSOR AND ITS CO-OWNERS MAKE NO REPRESENTATIONS AND EXTENDS NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OR SATISFACTORY QUALITY OR FITNESS FOR A PARTICULAR PURPOSE, OR THAT THE USE OF THE SOFTWARE WILL NOT INFRINGE ANY PATENT, TRADEMARK, OR OTHER RIGHTS. YOU ASSUME THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE SOFTWARE AND/OR ASSOCIATED MATERIALS. YOU AGREE THAT THE LICENSOR AND ITS CO-OWNERS SHALL NOT BE HELD LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, OR INCIDENTAL DAMAGES WITH RESPECT TO ANY CLAIM BY YOU OR ANY THIRD PARTY ON ACCOUNT OF OR ARISING FROM THIS AGREEMENT OR USE OF EDU2COM AND/OR ASSOCIATED MATERIALS.

4. You agree to take all reasonable steps to insure that EDU2COM software is protected and secured from unauthorized disclosure, use, or release and will treat it with at least the same level of care as you would use to protect and secure your own proprietary computer programs and/or information, but using no less than a reasonable standard of care. This is without prejudice to the terms of any third-party open source license over component parts of EDU2COM. You agree to provide the Software only to any other person or entity who has registered with the Licensor. If you are not registering as an individual but as an institution or corporation each member of the institution or corporation who has access to or uses Software must agree to and abide by the terms of this Agreement. If you become aware of any unauthorized copying, transfer or use of the Software, you shall promptly notify the Licensor in

writing to the email indicated below. You expressly agree to use EDU2COM software only in the manner and for the specific uses authorized in this Agreement.

5. By using or copying EDU2COM, you agree to abide by the copyright law and all other applicable laws of the kingdom of Spain and the terms of this Agreement. The Licensor shall have the right to terminate this license immediately by written notice upon becoming aware of your breach of, or non-compliance with, any terms of this Agreement. You agree to destroy all copies of EDU2COM in your possession upon termination of this Agreement and to certify such destruction in writing.

6. You agree that any reports or published results using or obtained with EDU2COM will acknowledge its use by the appropriate citation as follows:

"EDU2COM is developed by IIIA-CSIC and Enzyme Advising Group, SL, Spain.

Authors: [Athina Georgara](#), [Carles Sierra](#), [Juan A. Rodríguez-Aguilar](#)"

7. Commercial use of EDU2COM, or derivative works based thereon, REQUIRES A COMMERCIAL LICENSE. Should you wish to make commercial use of EDU2COM, you should contact the Licensor at the email address indicated below. Commercial use includes:

- (1) integration of all or part of EDU2COM into a product for sale, lease or license by or on behalf of you to third parties, or
- (2) distribution of EDU2COM to third parties that need it to commercialize product sold or licensed by or on behalf of you.
- (3) use of EDU2COM to create, develop or test products for commercial exploitation.

8. EDU2COM includes certain components distributed under the Python license (PSF license agreement, <https://docs.python.org/3/license.html>). For more information, please see the software documentation and/or contact the above email.

END OF TERMS

IIIA-CSIC: Instituto de Investigación en Inteligencia Artificial, Agencia Estatal Consejo Superior De Investigaciones Científicas. Campus UAB, Carrer de Can Planes, Zona 2 08193 Bellaterra, Barcelona, Spain.
